ISLANDS TRUST FUND SURVEYING ISLANDERS

VICTORIA — An online survey has been launched to help determine what people know about the preservation work carried out by the Islands Trust Fund. The information gathered in this survey will help the Islands Trust Fund develop communications materials and public awareness initiatives over the next two years and improve communication with those living in the Howe Sound and Gulf Island areas.

“The people who live and work in the Islands Trust Area are the most important link to realizing our goals of protecting the special places of this region”, said Jennifer Eliason, Islands Trust Fund Manager. “If there are ways we can improve our communications with islanders, we want to know”.

The short survey, which takes less than 10 minutes to complete, can be found at:

<http://www.surveymonkey.com/s/ITFsurvey>

The survey closes July 12, 2010.
